

E-Z CLEAN

TECHNICAL DATA SHEET

Description: *HYDRO-CHEM SYSTEM'S* is a step forward in one-step vehicle wash detergents. *E-Z CLEAN* is safe on painted surfaces and polished aluminum surfaces. Easy to rinse and leaves a luster on the cleaned surface. Just spray it on, let it dwell for a minute or two, then rinse.

Advantages:

- More effective than most competitive products that are alkaline in form.
- Excellent foaming action.
- May be used on any surface without corrosion or etching.
- Safe on all organic protective coatings.
- Easy rinsing, shines like wax and promotes streak-free drying.
- Can be used with cold, warm, or hot water.
- Hard water cleaner.
- 100% biodegradable.
- Contains no petroleum hydrocarbons.
- Contains no phosphates.
- Contains no caustic soda.

Specifications:

Physical Form:	Purple Liquid
Odor:	Pleasant. Cherry
Solubility:	Complete in water
Foam:	Medium to high

Directions:

25 – 125:1 Depending upon surface dirt, surface temperature, and climate of water condition. Can be used with cold, warm, or hot water. Rinses more quickly than most other alkalines, regardless of the formulation.

Directions Cont.

For best results on vertical surfaces, apply from the bottom up. Test diluted product on surface to be cleaned in an inconspicuous area, when using for the first time. Do not allow to dry before rinsing.

Caution:

If accidentally splashed in eyes, wash with water for 15 minutes and get prompt medical attention. Wash with water to remove from skin.
