

# FILM FIGHTER

## TECHNICAL DATA SHEET

**Description:** *Hydro Chem System's Film Fighter is an entirely new concept in cold water, hard-surface cleaning. It is formulated with the latest concept in innovative alkaline builder surfactant systems that enables it to work excellently in cold water. Naturally, it will perform well in hot water at higher dilution ratios. It enhances cleaning by softening the water and improving soil dispersion while lowering soil redeposition tendencies on the surface being cleaned.*

### Advantages:

- Can be used as a one-step cleaner or as a second step in the two-step process.
- Cleans just about everything.
- Excellent degreasing ability.
- May be used with hot or cold water.
- Easy rinsibility.
- Safe for coils in steam cleaners
- Safe on most painted surfaces.
- An effective cleaner for vinyl and aluminum siding.
- 100% Biodegradable.

### Specifications:
